| Total Loan Disbursement (Funded) | Direct Green Finance (Disbursement) | Indirect Green Finance (Disbursement) | Total Green Finance (Disbursement) | Direct Green Finance as % of Total Loan Disbursement |
| 6.00                             | 6.00                                | 0.00                                  | 6.00                               | 100.00%                                              |

## Details of Green Finance

## Renewable Energy

|             |                                                              | Amount (in million Taka ) |              |                                                      | Amount (in million Taka ) |
|-------------|--------------------------------------------------------------|---------------------------|--------------|------------------------------------------------------|---------------------------|
| Bio-gas     | Setting up of Bio-gas Plant in existing Dairy & poultry Farm | 0.00                      | Solar Energy | Solar Home System                                    | 0.00                      |
|             | Integrated Cow Rearing and Setting up of Bio-gas Plant       | 0.00                      |              | Solar Micro/Mini Grid                                | 0.00                      |
|             | Organic Manure from Slurry                                   | 0.00                      |              | Solar Irrigation Pumping System                      | 0.00                      |
|             | Mid Range Bio-gas Plant                                      | 0.00                      |              | Solar PV Assembly Plant                              | 0.00                      |
|             | Biomass based large scale Bio-gas Plant                      | 0.00                      |              | Solar PV Plant capable to produce 1 MW or more Power | 0.00                      |
|             | Poultry & Dairy based large scale Bio-gas Plant              | 0.00                      |              | Solar Cooker assembly Plant                          | 0.00                      |
| Hydro-Power | Hydropower (Pico, Micro & Mini)                              | 0.00                      |              | Solar Cooker                                         | 0.00                      |
| Wind- Power | Wind Energy driven Power Plant                               | 0.00                      |              | Solar Water Heater Assembly Plant                    | 0.00                      |
|             |                                                              |                           |              | Solar Air Heater & Cooling System Assembly Plant     | 0.00                      |
|             |                                                              |                           |              | Solar Energy Driven Cold Storage                     | 0.00                      |
|             |                                                              |                           |              | Surface Water Purification Plant using Solar Pump    | 0.00                      |

### Energy Efficiency

|                                                                                                                                           | Amount (in million Taka ) |                                                                           | Amount (in million Taka ) |
|-------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|---------------------------------------------------------------------------|---------------------------|
| Substitution of Conventional Lime Kiln by Energy Efficient Kiln                                                                           | 0.00                      | Energy efficient Improved Cook Stove(ICS)/ICS Renewable/Hybrid Cook Stove | 0.00                      |
| Substitution of Conventional lighting system, electronic material, Boiler with energy efficient alternatives on the basis of Energy Audit | 0.00                      | LED Bulb/Tube Manufacturing Plant                                         | 0.00                      |
| Auto sensor power switch assembly Plant                                                                                                   | 0.00                      | LED Bulb/Tube Assembly Plant                                              | 0.00                      |

### Solid Waste Management

|                                                          | Amount (in million Taka ) |                                         | Amount (in million Taka ) |
|----------------------------------------------------------|---------------------------|-----------------------------------------|---------------------------|
| Methane Recovery from Municipal waste & to produce Power |                           | Auto sensor power switch assembly Plant |                           |
| Municipal waste to Compost                               |                           | Hazardous waste treatment facility      |                           |

### Liquid Waste Management

|                                                                             | Amount (in million Taka ) |                              | Amount (in million Taka ) |
|-----------------------------------------------------------------------------|---------------------------|------------------------------|---------------------------|
| Biological Effluent Treatment Plant                                         | 0.00                      | Waste Water Treatment Plant  | 0.00                      |
| Biological Effluent Treatment Plant                                         | 0.00                      | Sewage Water Treatment Plant | 0.00                      |
| Conversion of Chemical ETP to Combination type (Chemical+Biological) of ETP | 0.00                      |                              |                           |

### Alternative Energy

|                                                                        | Amount (in million Taka ) |
|------------------------------------------------------------------------|---------------------------|
| Production of Burnable Oil from waste Tire by the Process of Pyrolysis | 0.00                      |

*(Signature)*

**Fire Burnt Brick**

|                                                                                                          | Amount (in million Taka ) |
|----------------------------------------------------------------------------------------------------------|---------------------------|
| Setting up of Hybrid Hoffman Kiln(HHK)/Tunnel Kiln/equivalent technology in Brick manufacturing Industry | 6.00                      |

**Non Fire Block Brick**

|                             | Amount (in million Taka ) |
|-----------------------------|---------------------------|
| Compressed Block-Brick      | 0.00                      |
| Autoclaved Aerated Concrete | 0.00                      |

**Recycling & Recyclable Product**

|                                                              | Amount (in million Taka ) |                                                                | Amount (in million Taka ) |
|--------------------------------------------------------------|---------------------------|----------------------------------------------------------------|---------------------------|
| Waste Paper Recycling Plant for production of recycled paper | 0.00                      | Recyclable Poly Propylene Thread & Baggage Manufacturing Plant | 0.00                      |
| Plastic Waste Recycling Plant (PVC, PP, LDPE, HDPE,PS)       | 0.00                      | PET Bottle Recycling Plant                                     | 0.00                      |
| Recyclable Baggage Manufacturing Plant                       | 0.00                      | Solar Battery Recycling Plant                                  | 0.00                      |

**Green Industry**

|                                 | Amount (in million Taka ) |
|---------------------------------|---------------------------|
| Establishment of Green Industry | 0.00                      |

**Safety and Security of Factory**

|                                                                                    | Amount (in million Taka ) |
|------------------------------------------------------------------------------------|---------------------------|
| Ensuring Work Environment and Security of Workers of Textile and Garments Industry | 0.00                      |

**Miscellaneous**

|                | Amount (in million Taka ) |
|----------------|---------------------------|
| Vermicompost   | 0.00                      |
| Palm Oil Plant | 0.00                      |

**Others**

|     | Amount (in million Taka ) |
|-----|---------------------------|
| N/A | 0.00                      |
| N/A | 0.00                      |
| N/A | 0.00                      |
