BUSINESS PHILOSOPHY

We strive to deliver maximum quality, cost-effective materials through effective communication and monitoring systems, while maintaining a successful relationship with all global clothing market partners. With the growing internationalization of the clothing supply chain, communication hurdles between buyers and sellers have evolved due to location, language, and culture. As a result, the Sourcing Agents have been called upon to fill the void. Our distinct vision, mission, and values encapsulate who we are and how we collaborate. It also symbolizes our marketing approach and commitment to delivering our clients and vendors with superior OSASP (One Stop All Solution Platform) service

SAMPLING SERVICE

Before moving to production, our skilled team of Merchandisers and Quality Controllers produces and offers samples depending on the client's design, quality, weight, color fastness, and other criteria to gain buyer approval.

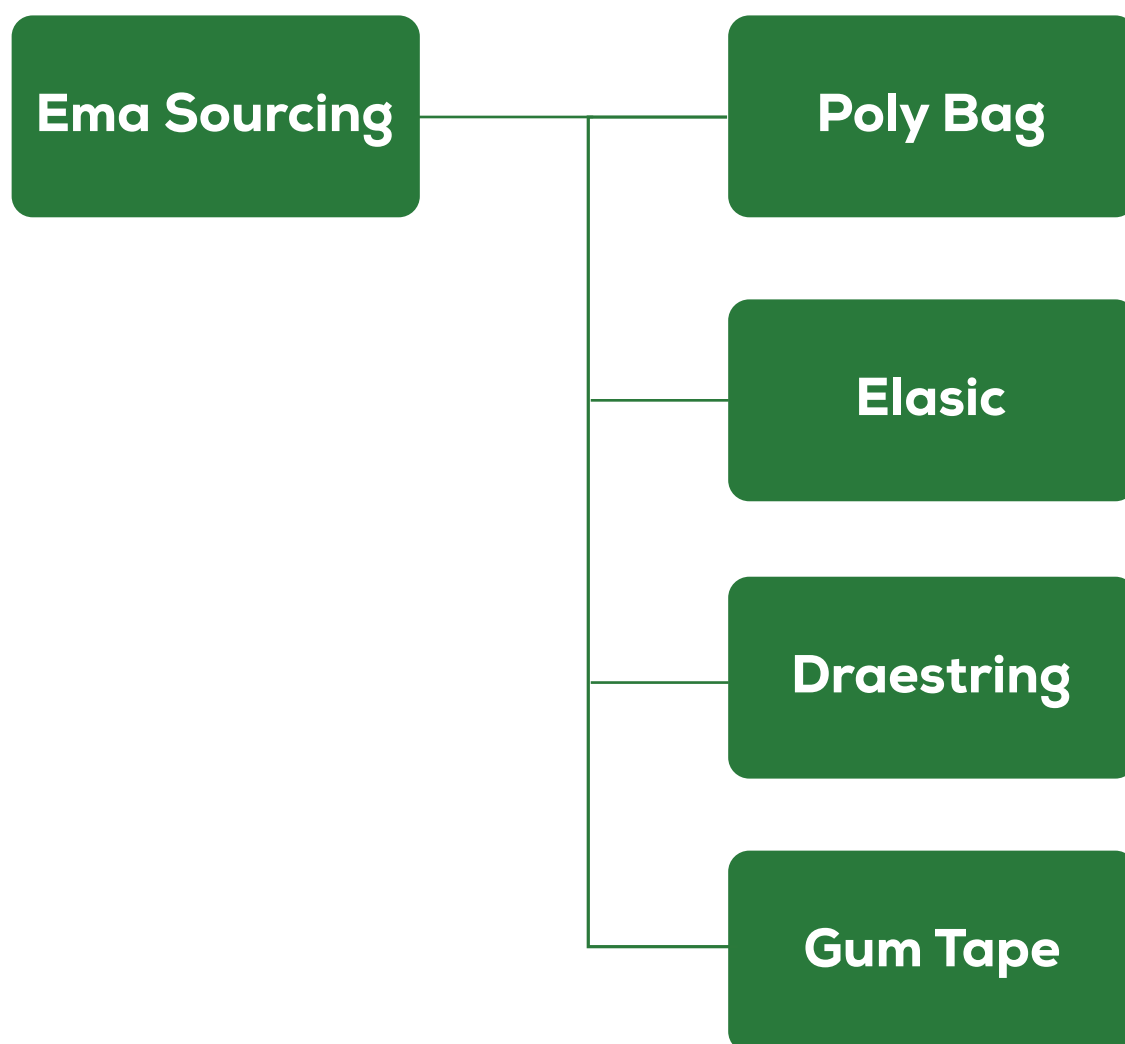

QUALITY ASSURANCE

Our Quality Control team make sure that we are meeting the needs of our customers. Our quality control experts have been stationed at all manufacturing locations to ensure that all products meet the standards of the purchasers. We desire to deliver complete customer pleasure; thus, we closely monitor orders from raw material to final shipment. We also track and report on the status of the order to the buyer, with rigorous follow-up .

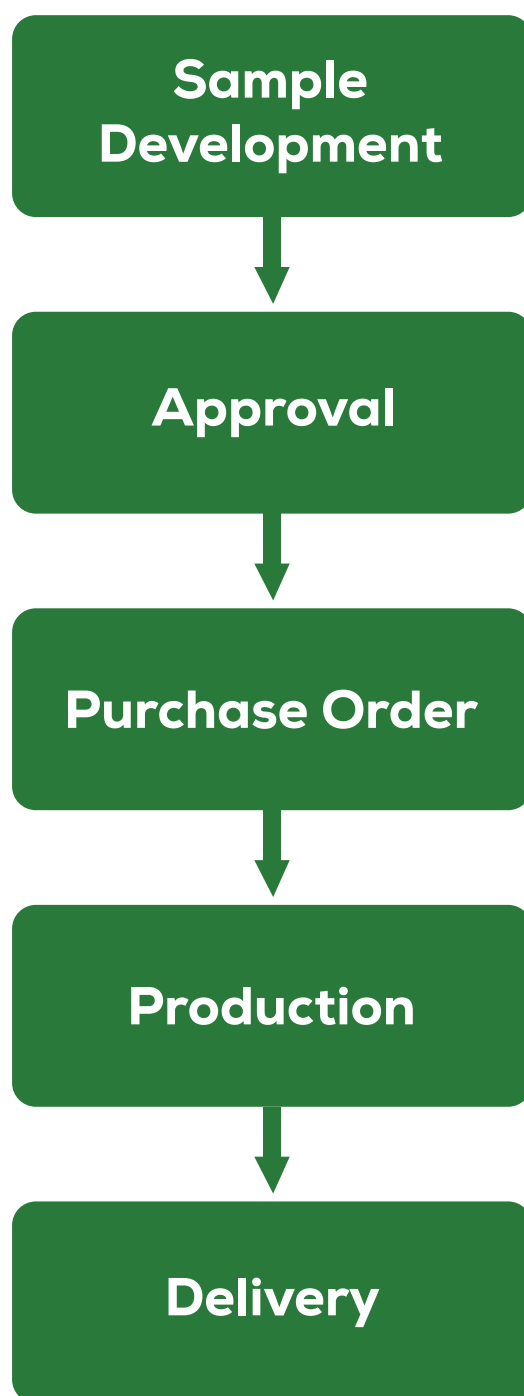

WE OFFER

EMA Sourcing provide above garments accessories by the demand of the buyers.
